# Indiana Advocacy Movement Summit

## Who Is the Point of Youth?

Indiana Point of Youth: "Creating Advocates for Safe Communities" is a youth advisory group to the State's decision-makers on substance abuse and public safety issues. This group of young people from around the State advises the Governor and General Assembly on substance abuse and public safety issues. They have developed an action plan to implement in their own communities and serve as a link between State policy-makers and the youth whose lives are directly impacted by policies surrounding substance abuse and public safety.

## Would you like to know how to make a difference in your school and community?

Point of Youth (POY) is inviting your youth organization to attend the Indiana Youth Advocacy Movement Summit (I.A.M).
